

TOWNVILLE ELEMENTARY SCHOOL ANDERSON SCHOOL DISTRICT 4

MICHELIN TOWNVILLE TURKEY TROT

The 11th annual Michelin Townville Turkey Trot is coming back and will take place on Saturday, November 12, 2022. The Townville Turkey Trot started as a culminating event for the TES Panther Paws Running Club. The running club started eight years ago with a grant to help schools in the fight against childhood obesity.

In an effort to get our community physically active, the PE department and the Panther Paws Running Club have worked to expand the reach of our run/walk. The Michelin Townville Turkey Trot will offer a 1, 2, or 3 mile option (actual distance 2.7 miles). We are asking for the help of our business community to help us in our efforts to combat obesity and physical inactivity in the Anderson County area. All of the proceeds of this run will go to the Panther Paws Running Club and other programs that promote physical activity and healthy lifestyle choices in Anderson School District 4.

What would it cost to have your business's name on 300-400 moving billboards? When you are a sponsor of the Michelin Townville Turkey Trot, you will not only be joining the effort to promote healthy lifestyles, you will be promoting your business. Depending on what level you choose, you will get your company name on the back of our run t-shirt; your company name will be listed on our website and on signs at the event; and your company will be advertised through our TTT runner bag. You get to put coupons, business cards, flyers, and other promotional items in our packet that each runner receives. Your company will also get a selected number of free entrants. What better way to promote your business in the community than by helping the students and families in our community to make healthy choices. Our event will involve runners and families from all over the Upstate. Please take the time to review the following information about sponsorship levels and feel free to visit our website (www.tt-trot.com) for online sponsorship registration and additional information about the run.

If you have questions or need more information, please contact me by email, rlaven@anderson4.org, or by phone 864-403-2600.

Thank you for considering this opportunity to partner with TES, Anderson School District 4, and Michelin by helping to promote physical activity here and throughout Anderson County.
